Christmas Nativity Display at the Dufferin-Peel Catholic District School Board

In 2010, Our Lady of Peace Council #8668 coordinated the design and construction of a Christmas Nativity Display for the Dufferin-Peel Catholic District School Board (DPCDSB).

The completed Nativity display was in place at the School Board Offices, 40 Matheson Boulevard West, (corner of Matheson Blvd and Hurontario St.) in Mississauga for the 2010 Christmas season.

On January 25, 2011, the School Board recognized these efforts by making a presentation to Officers of the Council at their board meeting.
